Directions for Completing Your Confidential Parish Profile

The CONFIDENTIAL PARISH PROFILE is the census form that Corpus Christi Church uses to identify its parishioners. (Our last parish census update was completed in April, 2003.)

Church membership is important: baptisms, funerals, marriages and other sacraments are received at the parish where you 'belong'. Therefore, PARISH REGISTRATION is necessary to show that you 'belong' to Corpus Christi – especially if you are to be a godparent or sponsor for the sacraments of baptism and confirmation, as well as for participation in our CCD program (religious education classes).

Enclosed is a 2-page, doubled-sided CONFIDENTIAL PARISH PROFILE. Please fill-out the form completely – you will not be added to the parish roster until the form is properly completed. Use the following guidelines to help you:

- Please print clearly or type all information.
- Page 1: Family Information – remember to give us the number of people included in this profile.
- Offertory Envelopes – not necessary for church membership but the use of weekly envelopes does accomplish the following: your commitment to the financial support of the parish – a means by which the parish can count on a certain amount of income – and, an annual contribution statement for tax purposes.
- Head of Household Information – There is a place for both the “male/husband head of household” and the “female/wife head of household.” Spouse information should be filled out even if the person is not Catholic.
- Sacrament Information – Exact dates are not necessary if you don't have them handy. If a sacrament took place at Corpus Christi, we will look up the dates for you after you turn in the profile.
- Page 2: Children – include children who are away at school but still a part of your household.
- Gender – be sure to circle the gender for each child (so many names are now shared by both boys & girls).
- Page 3: Others Living at this Address – such as in-laws, relatives, a companion, etc.
- Emergency Information – *Optional*, however the elderly, homebound, or those who live alone may wish to include someone who can be contacted in case of an emergency situation.
- Miscellaneous Information – will allow us to get to know about you & your family – particularly any special needs your family may require.
- Page 4: Church Ministries & Organization – included are groups presently active in the parish.

Page 4 also includes room for any Questions or Suggestions that you would like to pass along, as well as the Phone Number of the Rectory should you need further assistance to complete the Profile.
